NEW BETH MOORE:

## JAMES: Mercy Triumphs -

James, Jesus' own brother, started out as a skeptic.

See how one glimpse of the resurrected Savior turned an unbeliever into a disciple. Bible scholars compare James to the prophet Amos. In other ways, James more closely resembles the Book of Proverbs than any other New Testament book. Topics in this study include: joy, hardship, faith, reversal of fortunes for rich and poor, wisdom, gifts from above, single-mindedness, the dangers of the tongue, humility, and prayer.

## Beth Moore's A Women's Heart God's Dwelling Place

Explore the fascinating account of the building of the Old Testament tabernacle, the significance of its intricate design, its pivotal role in God's eternal plan, the grand fulfillment of its purpose by Jesus Christ, and its variety of meanings for your walk with God today. Perhaps no Old Testament event so dramatically illustrates God's persistent desire to relate to His children as the building of the tabernacle in the wilderness. Through the tabernacle God initiated a deeper relationship with His Chosen People by bringing reconciliation and revealing His glory. And certainly, no Old Testament event so richly prefigures the coming of the true Tabernacle, Jesus Christ. You will be challenged to prepare your heart, like the holy of holies, to become a home for His love and glory — a dwelling place for the Most High God.
